Study Guide for 7-39

PERMANENT OR PAVED HIGHWAYS & STREETS

(ASPHALT SURFACE TREATMENT)

The examination for 7-39, Permanent or Paved Highways & Streets (Asphalt Surface Treatment) is a 40 question, multiple-choice, CLOSED BOOK examination, covering all aspects of the various surface treatments used on asphalt paving. The following books might be consulted in preparing for the examination. *These books do NOT necessarily contain all of the information needed to be competent in this trade or to pass the examination. These are only a sample of the many good books which may be available on the market.* These books may possibly be obtained through a local library's collection, through the use of your local library's inter-library loan, or directly from the publisher. Local bookstores may also be able to obtain some of these publications for you.

A Basic Asphalt Emulsion Manual, Manual Series No. 19; Asphalt Emulsion Manufacturers Association, Annapolis, MD, and Asphalt Institute, Lexington, KY.

The Asphalt Handbook, Manual Series No. 4; Asphalt Institute; Lexington, KY.
